

KMCS3

Kent & Medway Cyber
Security Student Society

KMCS3 is a cyber security community connecting students and alumni living in Kent and Medway or with ties to higher education in this area, sharing a passion for cyber security, wider technology, innovation, skills and career development.

**A COMMUNITY WITH
REAL IMPACT.
REAL SKILLS.
LASTING CONNECTIONS.**

AUTUMN TERM 2026 EVENTS

ALL
SKILL LEVELS
WELCOME!

29 OCT

Welcome Social & Cyber Quiz

Meet the committee, connect with members and compete in a fun cybersecurity-themed quiz. No experience needed!

12 NOV

Introduction to Ethical Hacking & CTFs

Learn the fundamentals of ethical hacking and try beginner-friendly Capture The Flag challenges.

26 NOV

OSINT: Digital Detective Workshop

Discover open-source intelligence and solve hands-on investigation challenges using publicly available information.

10 DEC

Cyber Challenge Night & Christmas Social

Team-based cybersecurity puzzles, mini CTF challenges, games and an end-of-term celebration.

OUR ACHIEVEMENTS

National Hackathon

Two KMCS3 teams achieved 2nd and 3rd place at the UWS National Hackathon.

Working with Local Schools

We run Capture the Flag (CTF) competitions and cybersecurity workshops for local schools, helping to inspire the next security professionals.

DEVELOPMENT

ISC2 Certified in Cybersecurity (CC)

We support members in achieving the ISC2 Certified in Cybersecurity (CC) certification through study groups and peer support.

Training & Workshops

From technical workshops and hands-on labs to career development sessions and guest speakers, we provide opportunities to build real skills and industry knowledge.
